## SENIOR CENTER

RE: Covid-19 (Coronavirus) Update

Amador Senior Center is responding to the Coronavirus in the following ways:

### **Hours and Activities**

We are currently closed to all senior groups and activities to protect our clients. Gov. Newsom has called for all seniors 65 and above to voluntarily shelter in place.

We have introduced modified hours for our center and our staff is available to help.

#### **New Hours:**

**10:00 AM – 4:00 PM.**

**(209) 223-0442**

### **Senior Assistance**

We are attempting to help seniors who are isolating with necessities such as medications, groceries and supplies. If you are in need of help, please contact our center for assistance.

### **Foothill Fitness Classes**

All Foothill Fitness classes are closed and non-operational until further notice.

### **Senior Lunch Program**

Our senior lunch program is currently ONLY available with drive-thru service at 229 New York Ranch Road Jackson, CA. Our congregate lunch sites in Jackson, Lone and Plymouth are currently closed. To receive a freshly prepared hot lunch Monday-Friday, please make a reservation by 9AM on the day of service by calling 209-223-0442. Lunch is a participant contribution of \$4 with a registration form and \$6 without a registration form. A registration form is available for download and printing on our senior lunch page.

### **Senior Peer Visitors**

Our Senior Peer Visitor volunteers are no longer meeting clients in person. Volunteers are contacting clients by phone until further notice. All peer visitor volunteer trainings and support groups have been canceled.

### **Sees Candies**

Our lobby is currently open Monday – Friday from 10:00 AM – 4:00 PM for Sees Candy sales.

**AARP Tax Program**

Our tax program has been closed. All appointments are currently cancelled. We would recommend finding another tax preparer.

**HRSM (Home Repair and Safety Modification)**

We are not currently serving clients with grab bar installations and repair services at this time. We will reinstate this program in the future.

Please feel free to look through our website and what we have to offer under normal operations. Check back on our website often for more information as it becomes available. You may also sign-up for our newsletter through our website to receive updates from our center. Thank you for your interest in our center and we hope to return to normal operations in the near future.
